#### Remaining allocation of funds from the Sustainable Jersey Composting Grant

There is \$1,300 left in the grant. The composting workshop has been cancelled. The deadline is October 1<sup>st</sup> to use the grant monies. If it is not used by then Mr. Sahol can ask for a 30 day extension. The board had a short discussion and felt that the monies could go towards the ERI to help with the cost. Ms. Greenberg stated that we could apply for another grant to help with the hedgerow when another grant becomes available. As a second option in case Sustainable says no to the ERI the board talked about an arboradum and a windbreak by the volley ball court at the old municipal complex to help contain the sand from blowing away.

A motion was made by Ms. Koetas-Dale second by Mr. Braun as the first choice to allocate the remaining grant money to go towards the ERI. All were in favor, motion carried.
