OLD BUSINESS

BMX Event – Janice emailed Frankie the flyer in March. She also emailed her the Music in the Square flyer. The email went into her spam folder so Janice will email it again.

Assemblies – Kevin talked to Scott Henio and he said we could have an assembly in the fall and the spring. Aggie will send Kevin the email Janice had sent to Frankie with contact information. It would be better if someone from the school reached out to the assembly speakers directly to set the dates.

Music in the Square – Aggie will ask Rachel for the contact information for Kona Ice and Mr. Softee to see if they would want to be there during the concerts. Aggie will ask that the flyers be put on the website and Facebook.

Boy Scouts – Danny said the date chosen didn't work out. He will keep working with Kevin to get a date.

Green Fun Fair- The fair is from 11-3, Janice, Aggie and Mary will be there to split the time.

MUNICIPAL ALLIANCE TRAINING

None

NEW BUSINESS:

The members talked about the new grant budget and Aggie will work on completing it.
